PETITION TO CORRECT ERROR IN SMALL ENTITY STATUS

Sir:

It has come to Applicant's attention that all fees in application serial no. 10/770,090, now U.S. patent no. 7,252,110, were erroneously paid as a small entity rather than as a large entity. Small entity status had been established in good faith and without deceptive intent, and all fees were paid as a small entity in good faith and without deceptive intent.

Applicant respectfully requests that status as a large entity be established for this patent.
